Dear Friends,

Thank you for your interest in Cambridge Study Center. We are glad to share an overview of the study center's unique ministry with you through words and pictures that capture the life of this community and describe the essence of our mission. As we train men and women, our goal is to sharpen minds, increase discernment, develop leadership skills and, by God's grace, change lives that will in turn change our world.

For the past several years God has graciously chosen to use Cambridge Study Center to train men and women for leadership in a fallen world. In recent years we have experienced significant growth. More and more students come for training to live as salt and light in our society. As this growth has occurred, we rejoice that the Lord also has provided wonderful faculty members who understand the complexities of our ever-changing culture. They are committed to training God's people for a lifetime of contribution to the culture.

We in turn ask for your commitment to pray for Cambridge Study Center as we seek to see Him honored in the lives of our faculty and students.

Sincerely,

Bruce Kirby
