Dear Friends of the Study Center,

Over the years I have been amazed by the Cambridge Study Center. Their educators and students continually enlighten and enrich our community. The study center has been a source of change, a place for the Christian mind to grow and develop. Cambridge Study Center is truly a gem to be treasured.

Just as all things worth our attention, the study center has a price, a price that I feel is worth paying. It is a gift worth preserving for our children, community, and Christ's church. Here we find future leaders of our society and enlightenment for all ages. Cambridge students are men and women equipped to answer the culture with a Christian mind.

As C.S. Lewis said, "... a cultural life will exist outside the church whether it exists inside or not. To be ignorant and simple now - not to be able to meet enemies on their own ground - would be to throw down our weapons, and betray our uneducated brethren who have, under God, no defense but us against the intellectual attacks of the heathen."

Understanding the need for such a defense, the Cambridge Foundation Board has joined with the study center to secure its future. By committing to the care of the Cambridge Study Center we are providing a defense for the hope that is within us. We also will be providing leadership for the present and for future generations. With classes for all ages, both the leaders of today and tomorrow can develop a strong Christian mind.

I hope you will consider how you can be involved in supporting this great work for the kingdom of our Lord Jesus Christ. Please prayerfully consider how you might support the study center. I know that you will benefit greatly, just as I have, from your participation in this kingdom work.

Sincerely,

Sean McMicken
